

5 FUNDAMENTAL WAYS TO GET MORE SALES

Automotive Industry

Live Chat is all about human interaction on your website and pointing the visitors in the right direction. Our solutions help generate more sales and provide around the clock customer support.

WHY LIVE CHAT?

- 1** **ANSWER QUESTIONS IN REAL TIME**
A Live Chat representative not only assists visitors in their search for answers, but also helps them save time.
- 2** **CUT EXPENSES DRAMATICALLY**
Live Chat on your website can dramatically decrease the number of calls and inquiries your customer service department receives on a monthly basis therefore cutting costs.
- 3** **STREAMLINE YOUR BOTTOM LINE**
LiveAdmins users report a 23% average revenue increase as soon as they start converting their visitors into real prospects.
- 4** **TRACK VISITOR BEHAVIOR**
Our solution can track visitor behavior and helps customers with the right information when they need it.
- 5** **INTELLIGENT CHAT ROUTING**
Our ICR system distributes chats based on operator availability, language settings and level of training so visitors always get the best experience.

PRO TIP

TRAIN YOUR TEAM

Live Chat agents must have updated inventory information and be familiar with website navigation. Provide them with FAQs to help answer your questions easily.

Our Success Managers know it all. Talk to them now. **Call +1 (877) 771 6067**
