INTRODUCING HANDOVER

Handover by LiveAdmins is the most sophisticated form of technology which completely revolutionizes the way leads are transferred to your business. It is simple, efficient and the next big thing in Live Chat.

HOW IT WORKS?

Handover by LiveAdmins uses state-of-the-art 'Chat-to-Phone' technology through a custom API. As soon as there is a prospect who is interested in availing your services, our dedicated chat operators instantly connect them with your business. And in case you're busy, you have the option to take a message or get back to them later. All of this is done in a matter of seconds so you don't lose out on potential business and can get the maximum Marketing Return on Investment.

BENEFITS OF HANDOVER

- 1** **HOT BUSINESS LEADS**
Our experienced operators pre-qualify all business opportunities so you only get hot leads and save time.
- 2** **INSTANT TRANSFER**
The second we identify a lead, we instantly connect it with your office while the visitor is still on your website. This ensures that you reach out to them before your competitors do.
- 3** **INCREASED MARKETING ROI**
As soon as you start using Handover, your website starts yielding more Marketing Return on Investment than before.
- 4** **COST EFFECTIVE**
The cost of Handover is only a fraction compared to maintaining a separate front desk to filter out business prospects, take calls and do the legwork.
- 5** **IN-DEPTH REPORTING**
Handover Reporting gives you a complete control over how, where and when your lead calls are delivered.
